

A PLACE FOR ALL GENERATIONS

While the senior apartments are the heart of St. John's Place, the other planned uses includes:

- Short Term Stay Apartments
- Child Care Group Homes
- Coffee/Pastry Shop with courtyard seating
- Senior Center
- Ellis County Historical Museum

We are creating a place where all generations can live, visit, and connect. St. John's Place breathes new life into the former St. John's Resthome, honoring its legacy while meeting today's needs. Our goal is to create a multi-purpose space that supports community growth, connection and care.

HELP US BRING THIS VISION TO LIFE!

St. John's Place is more than just housing. It is a legacy! If you feel called to support the restoration or sponsor a feature of the place, we welcome your donations or involvement!
